Rockhopper Outdoor School Presentation

Dear Rockhopper Families,

In lieu of a play performance this year, we would like to invite you to a Rockhopper presentation where students will be sharing their Outdoor School experience with you! Here's an opportunity to relive this transformative redwood retreat adventure! Reminisce with us as we watch a photo slideshow, listen to us singing songs we learned at camp, and hear some student speeches reflecting on this event. We really hope you can join us for this special presentation! *The event will be held at Sedgwick Elementary School in order to accommodate all parents and students in one room.
